

**Annexe C-2 : Cartes krigées des concentrations et des concentrations relatives en
Au, Ag, Bi, Pb, Mo et WO₃**

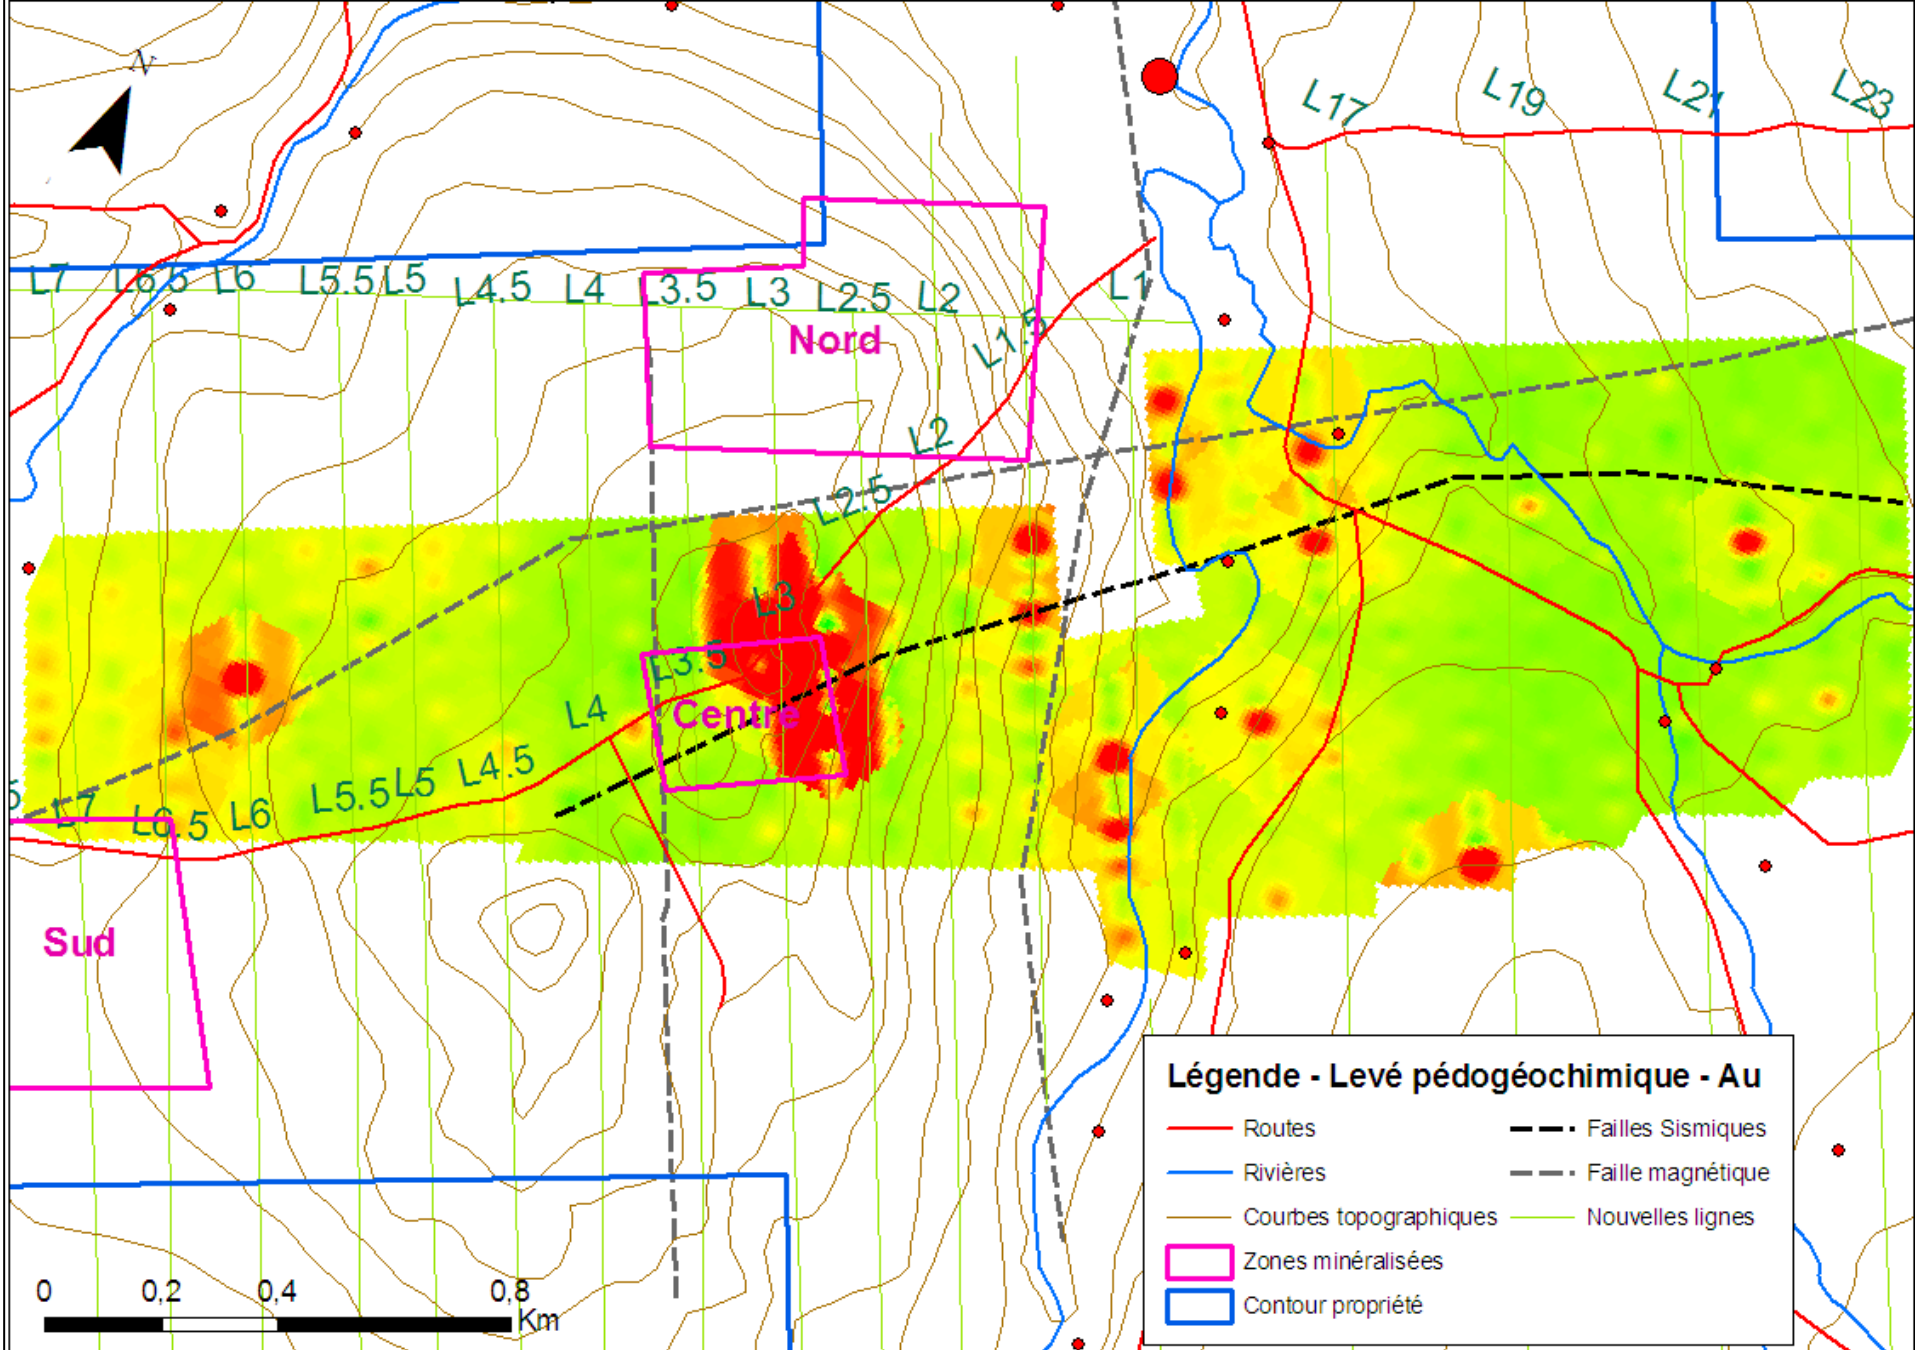

Carte krigée des concentrations en Ag

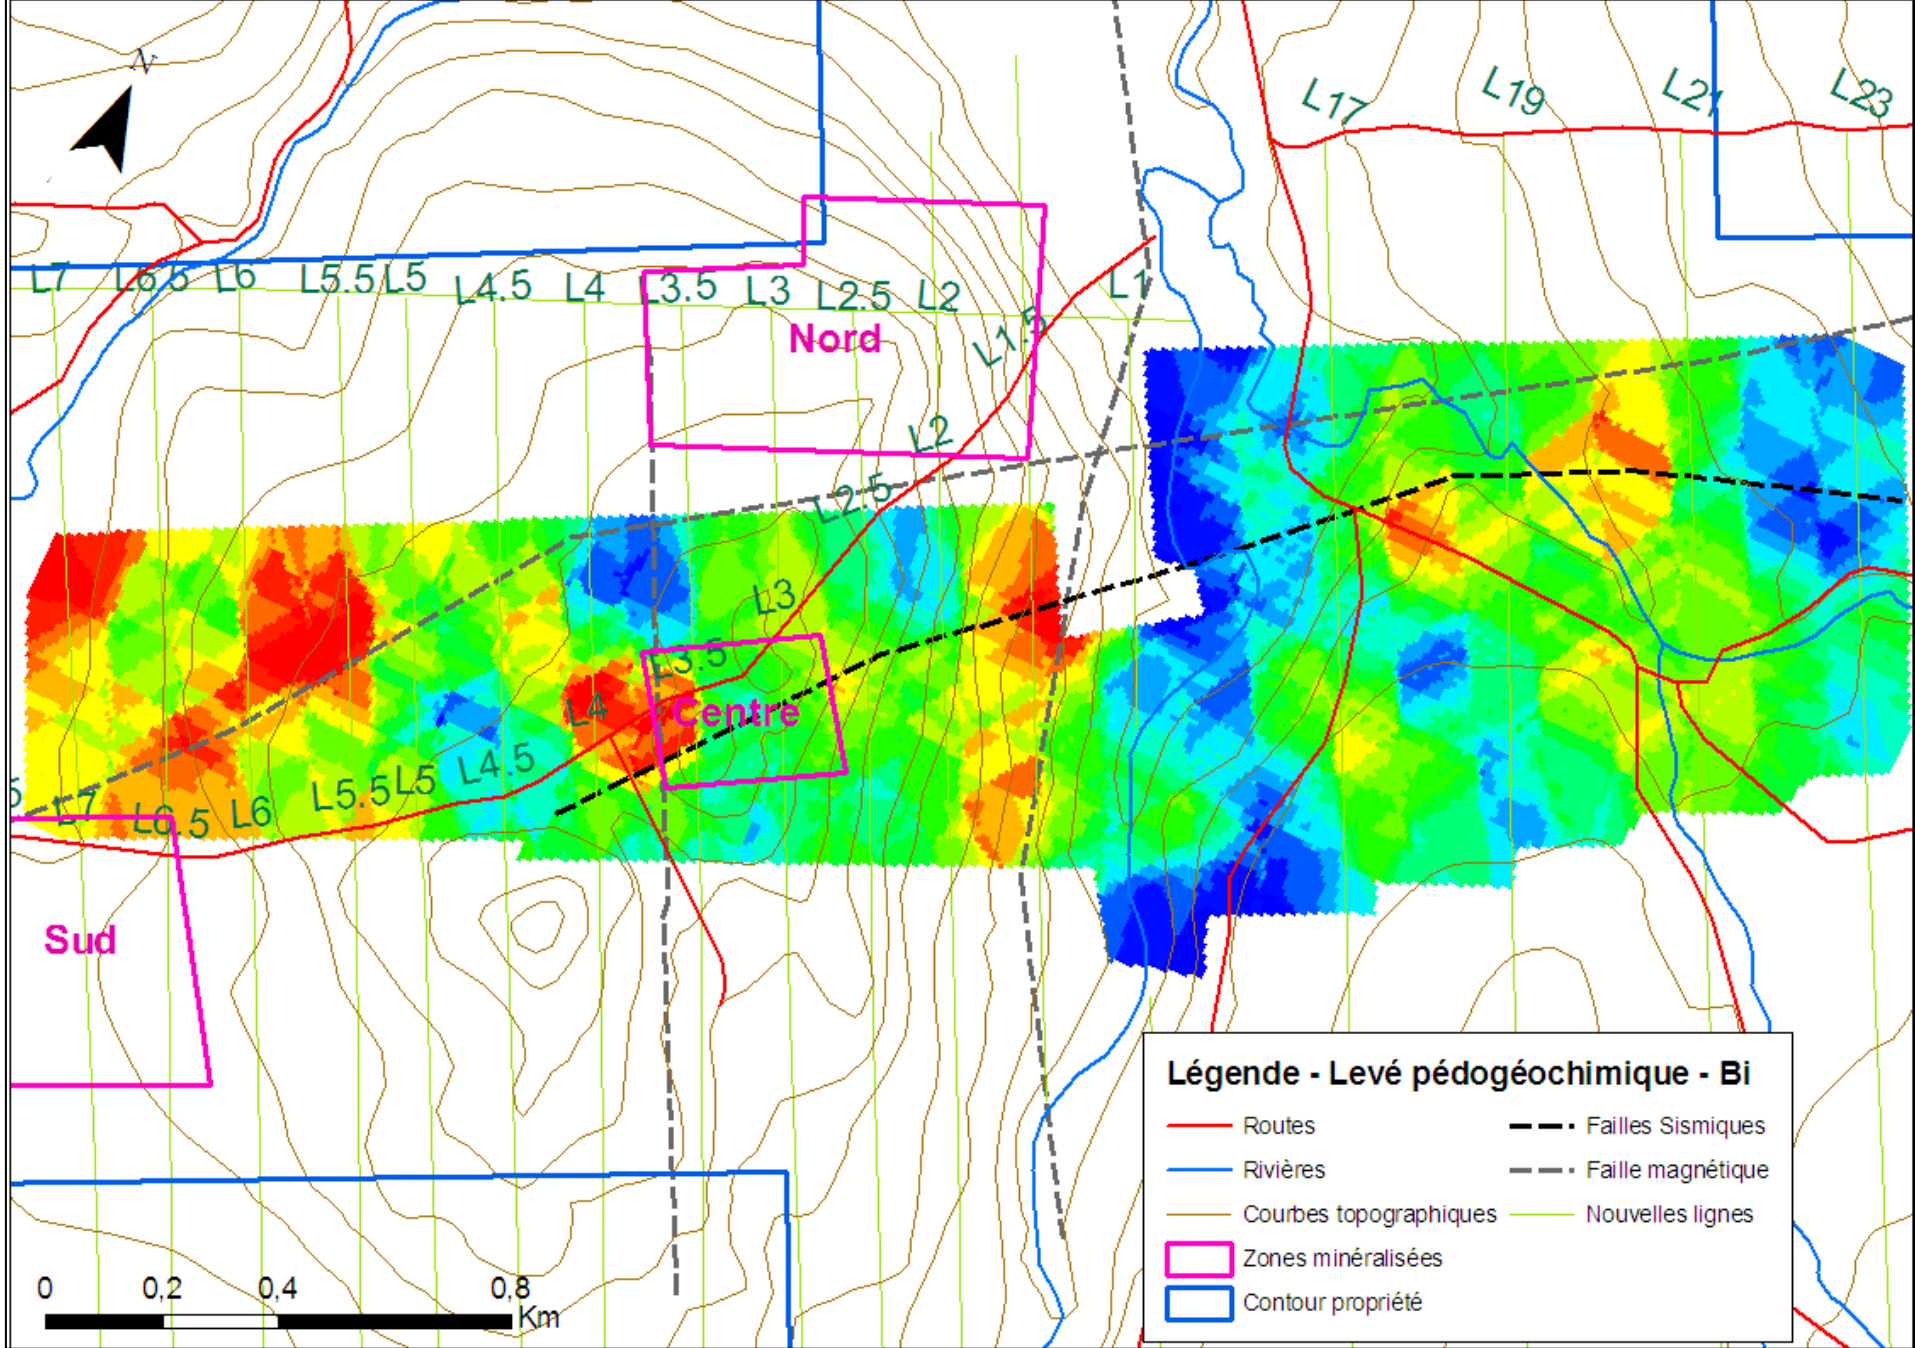

Carte krigée des concentrations relatives en Ag

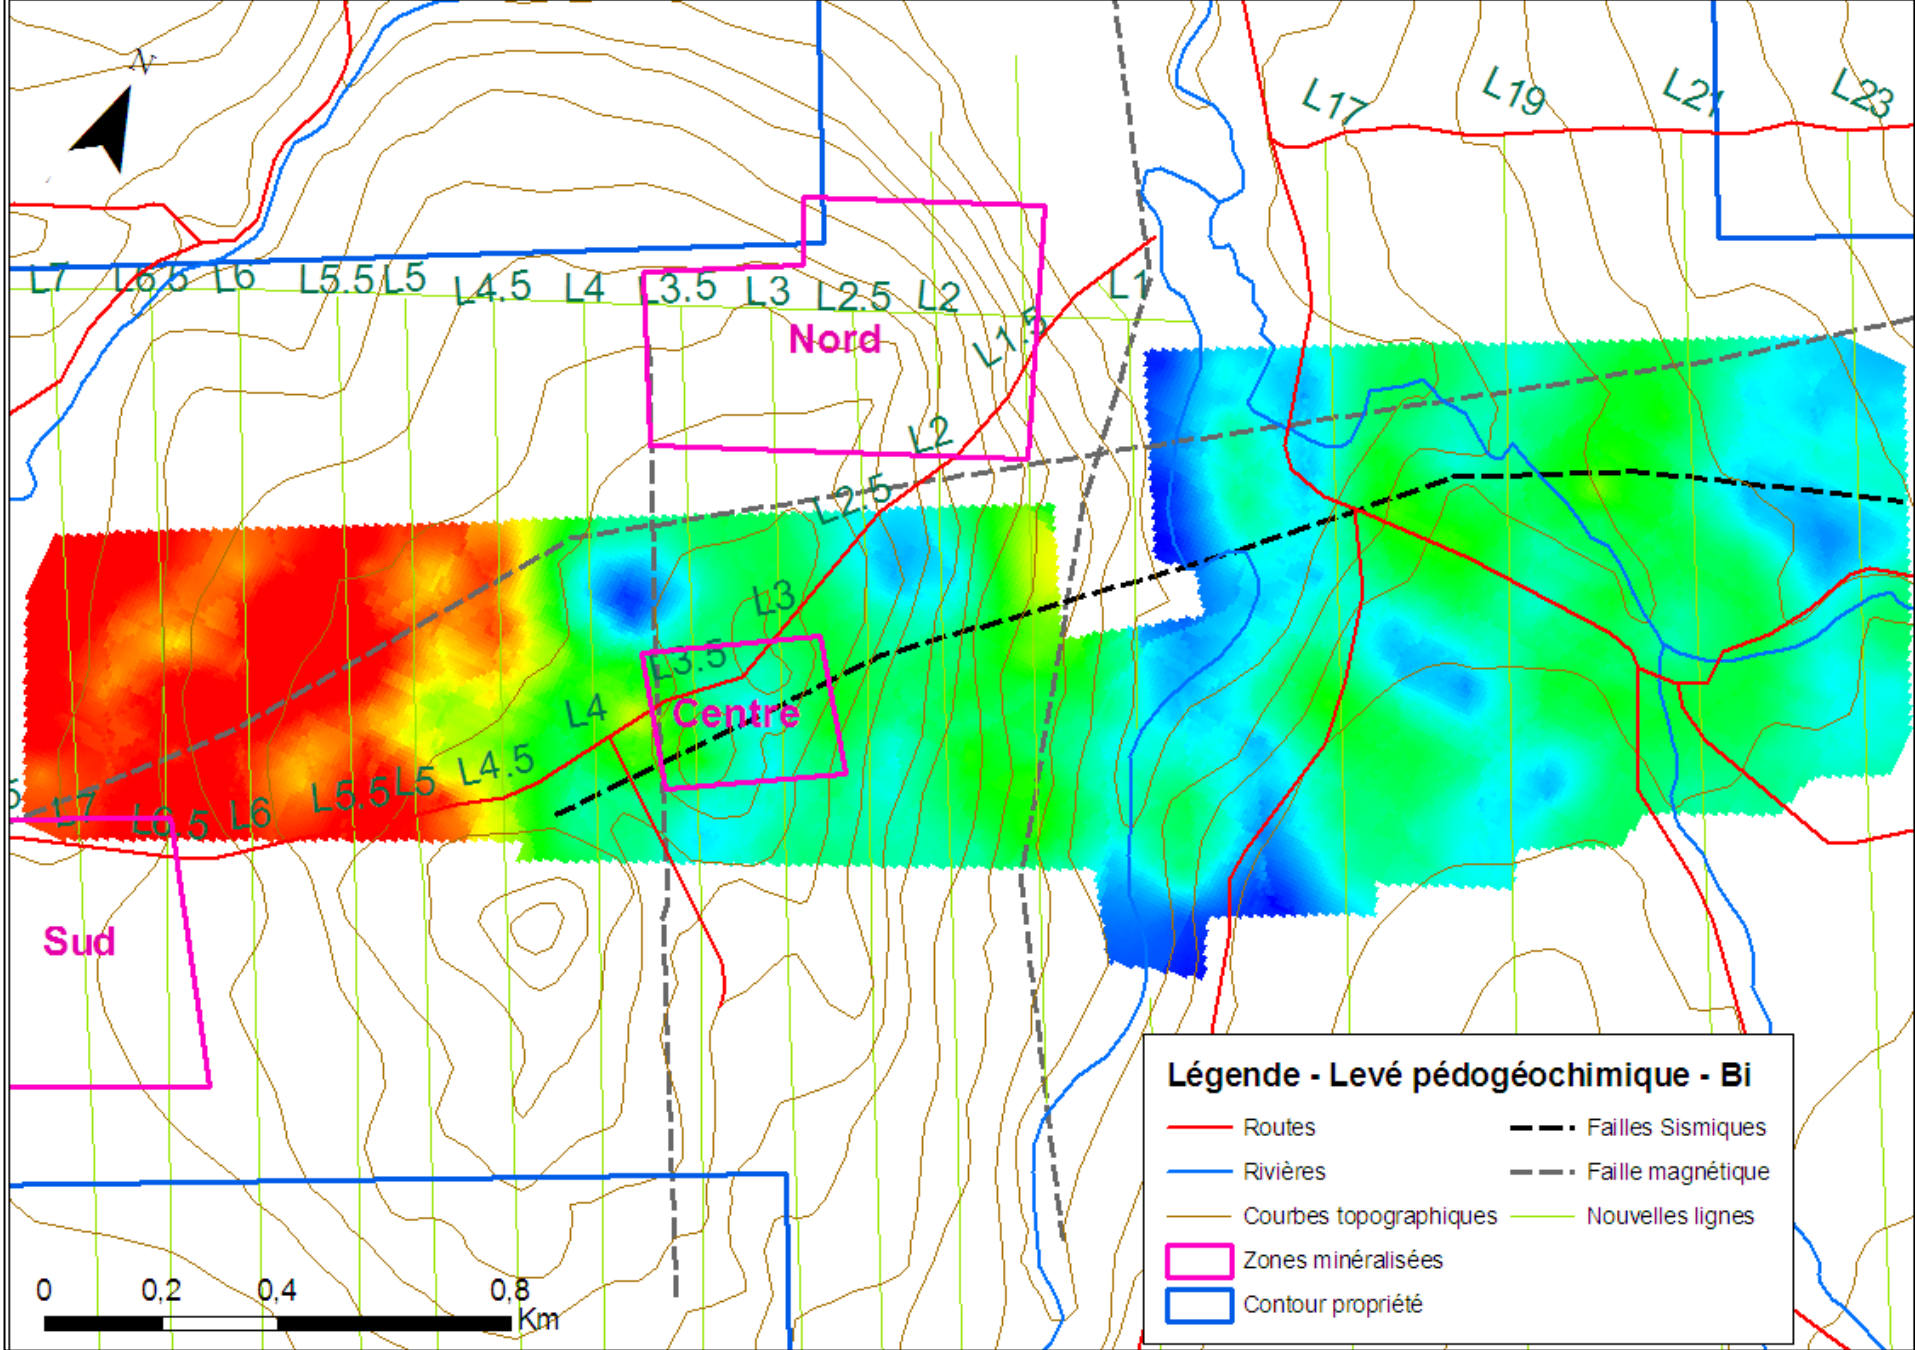

Carte krigée des concentrations en Au

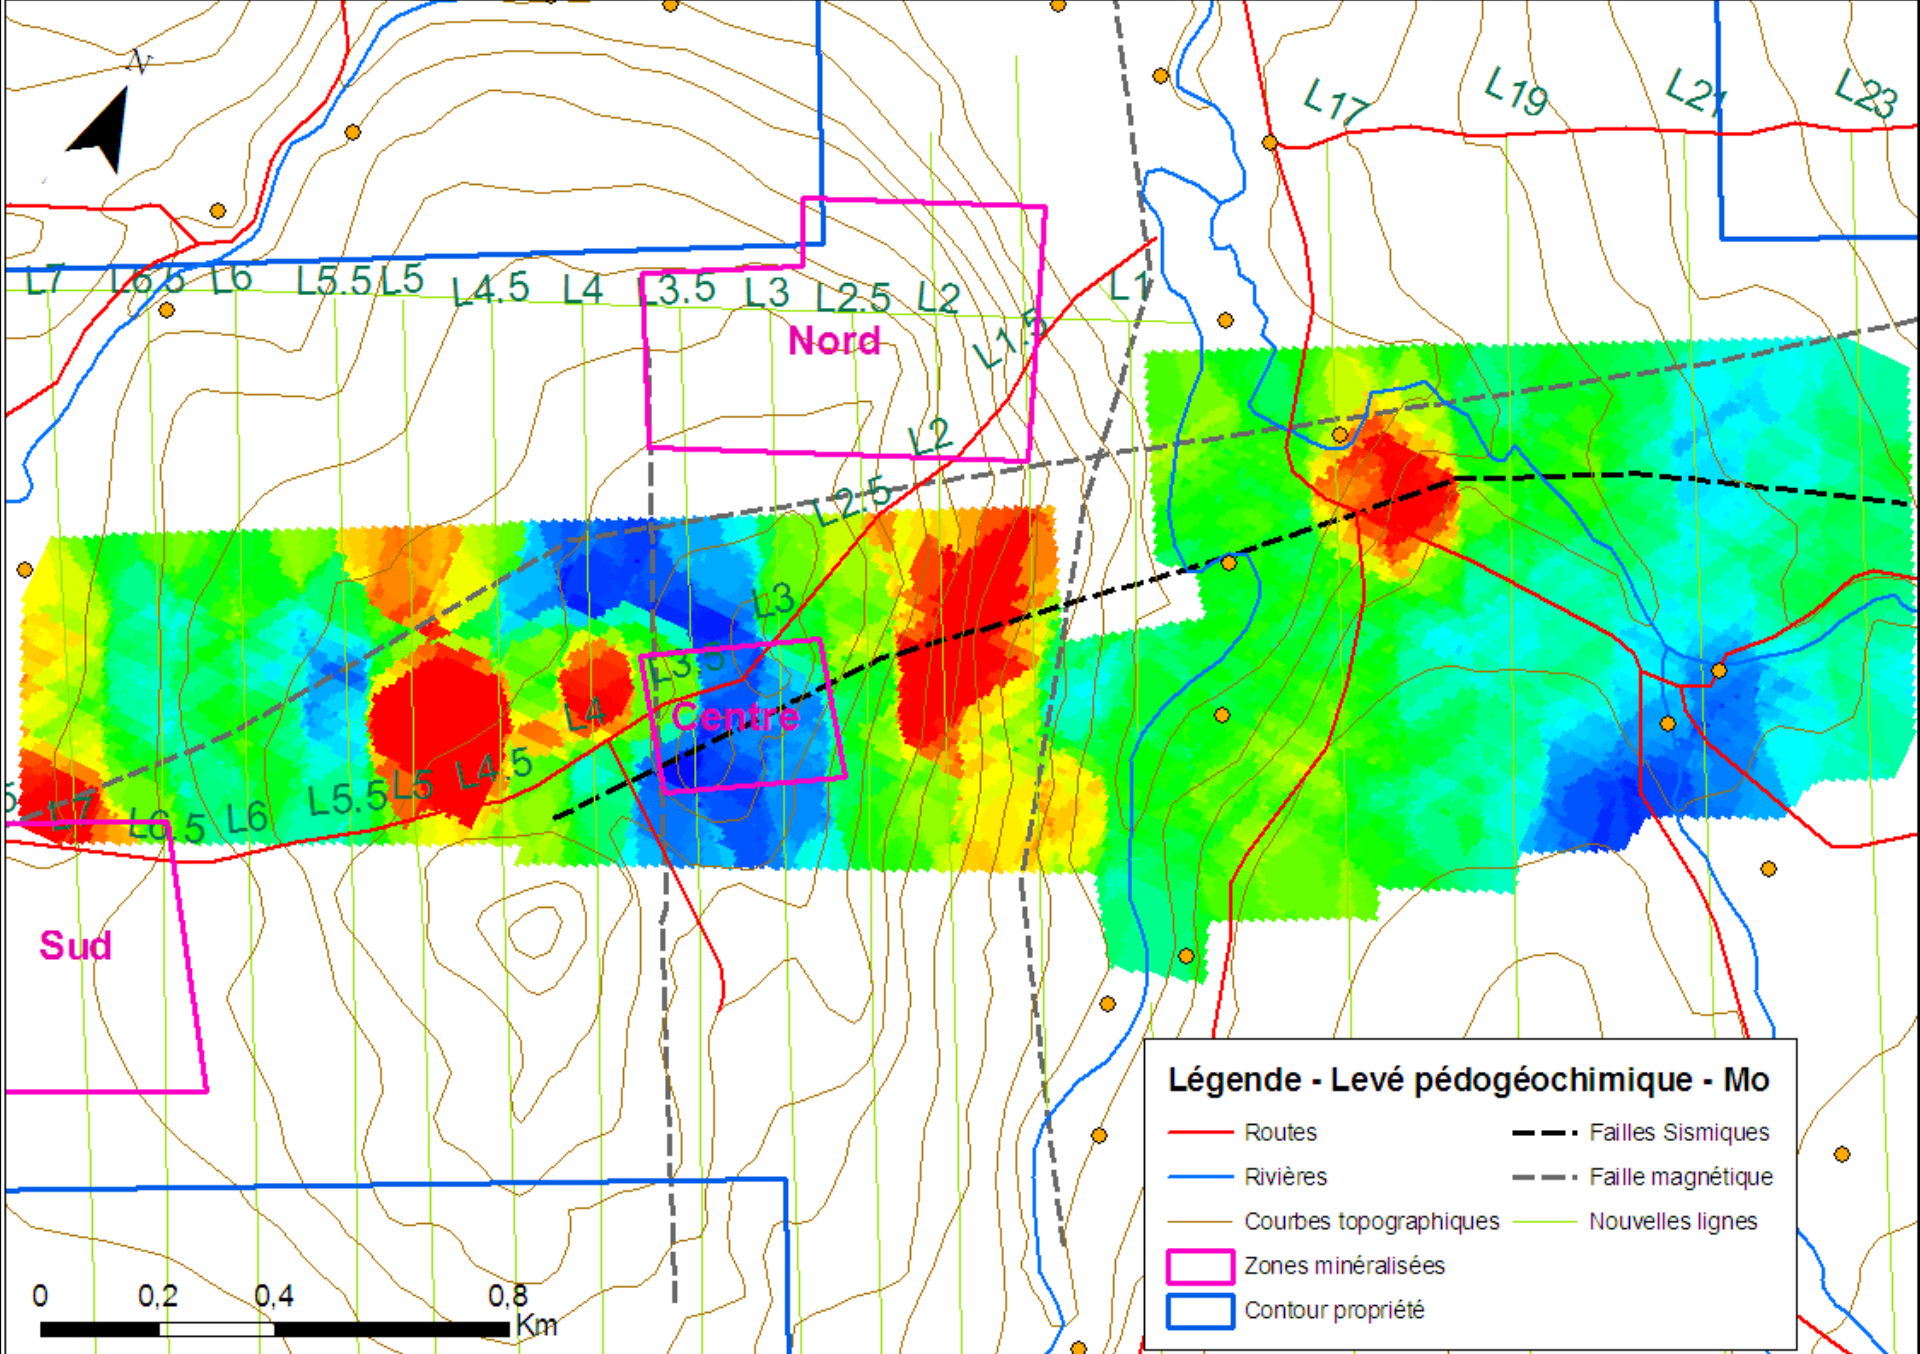

Carte krigée des concentrations relatives en Au

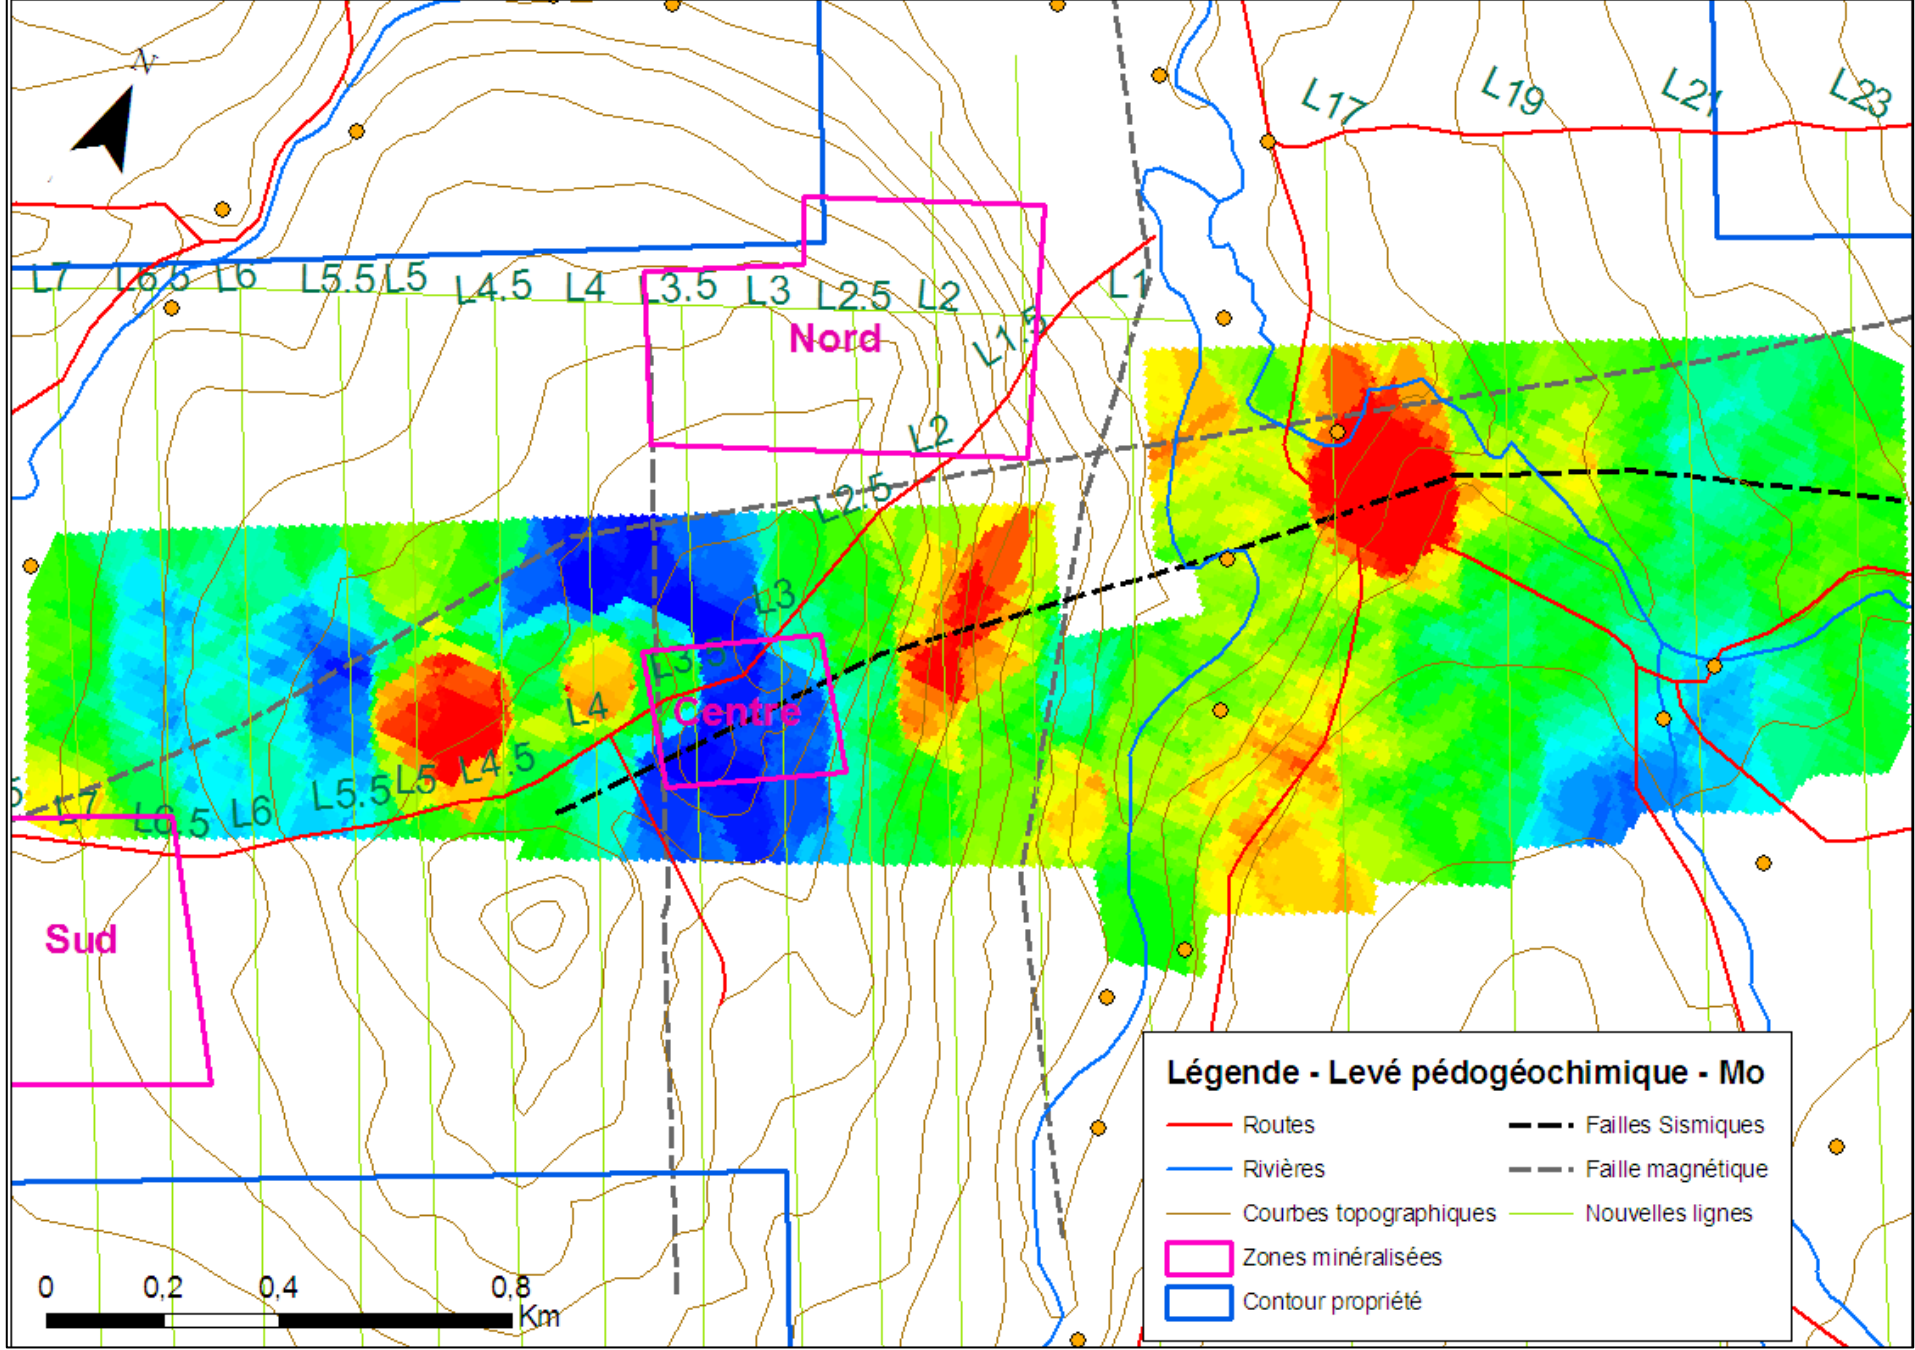

Carte krigée des concentrations en Bi

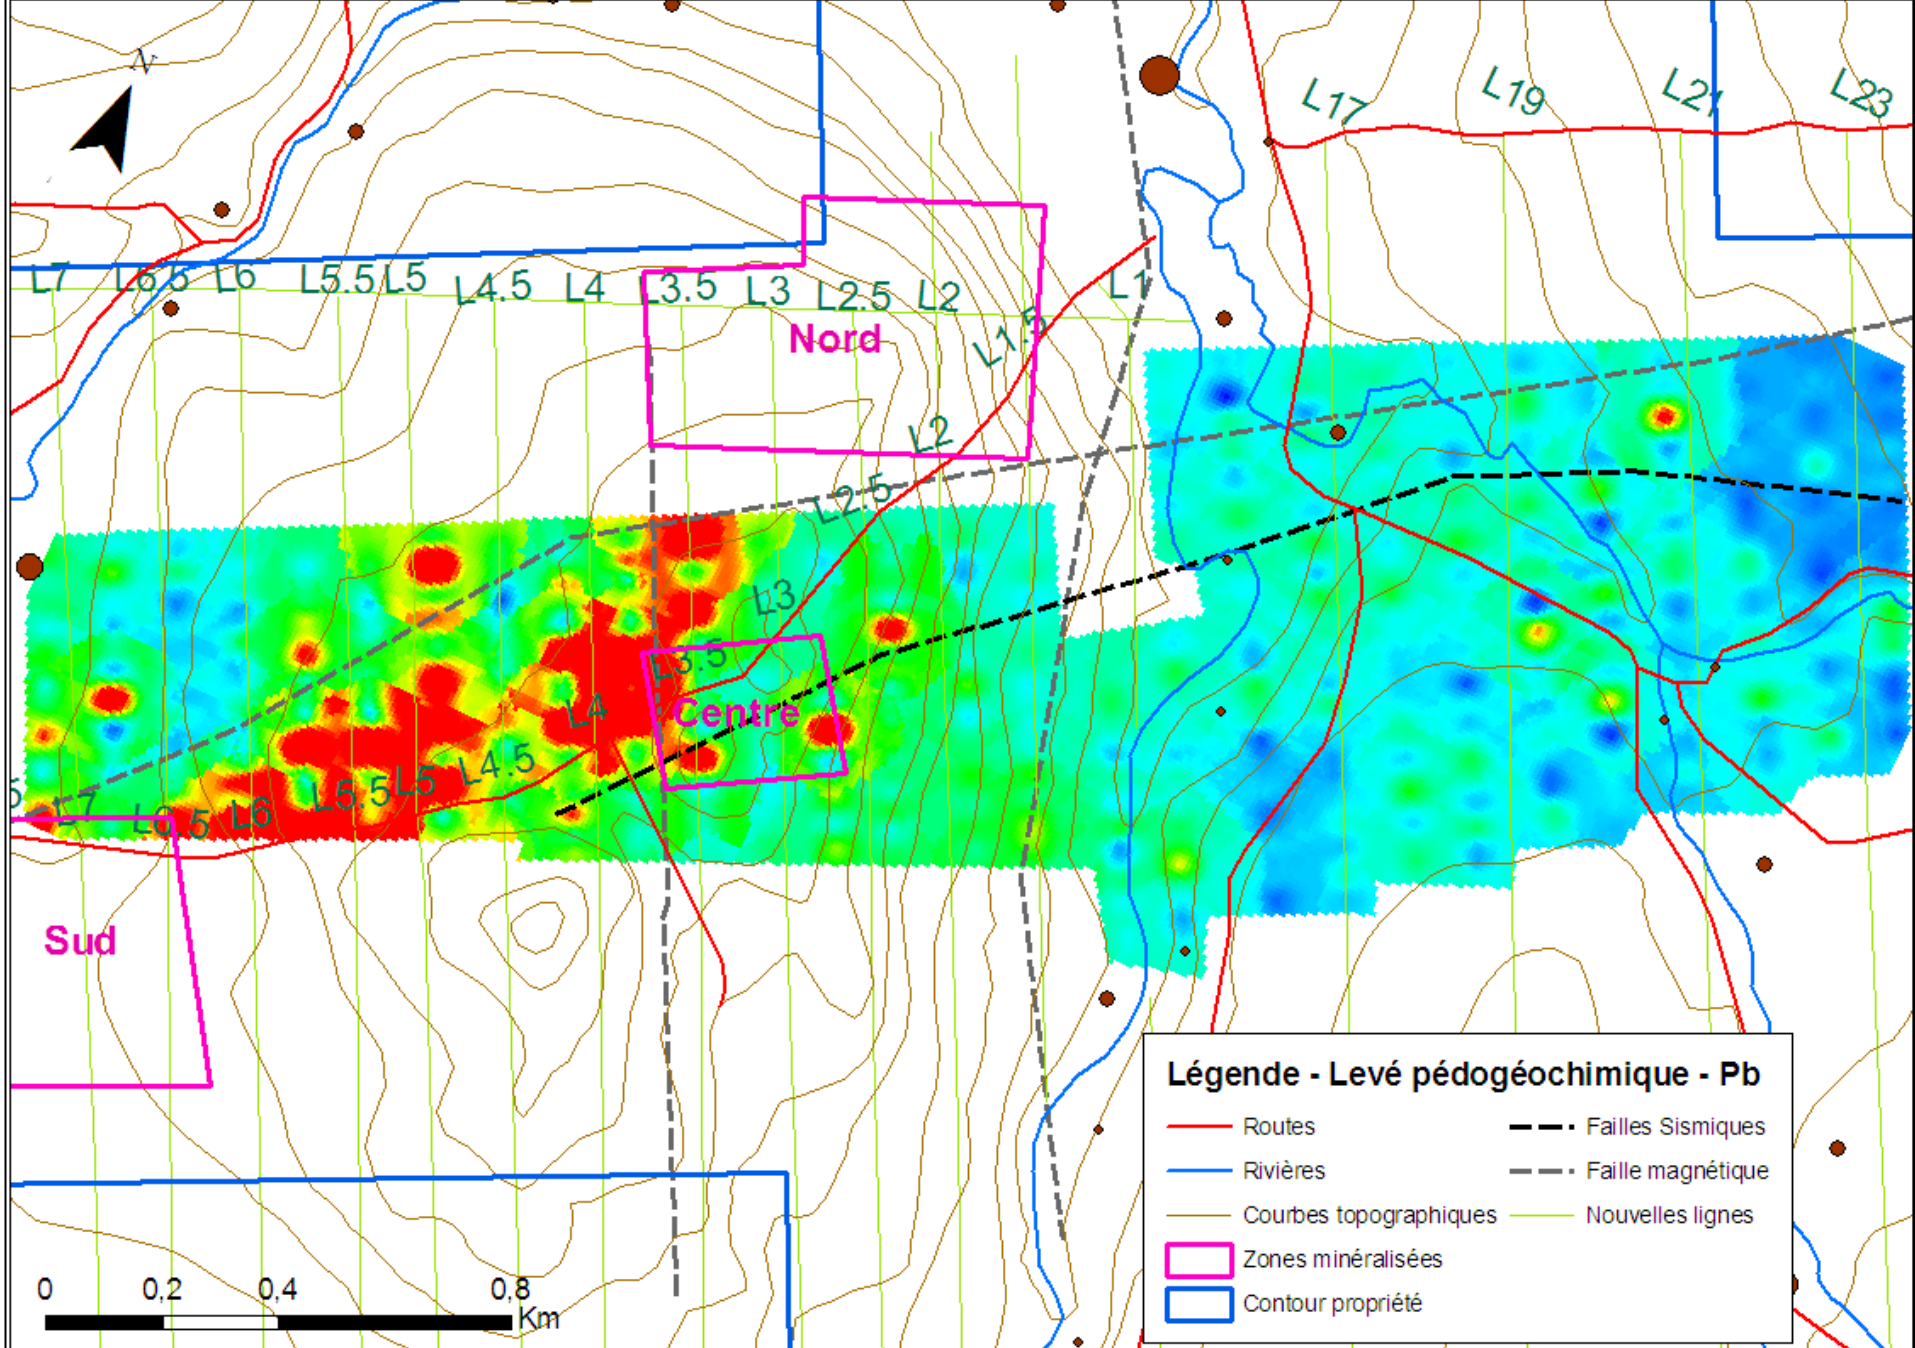

Carte krigée des concentrations relatives en Bi d'après la méthode de Tukey (1977).

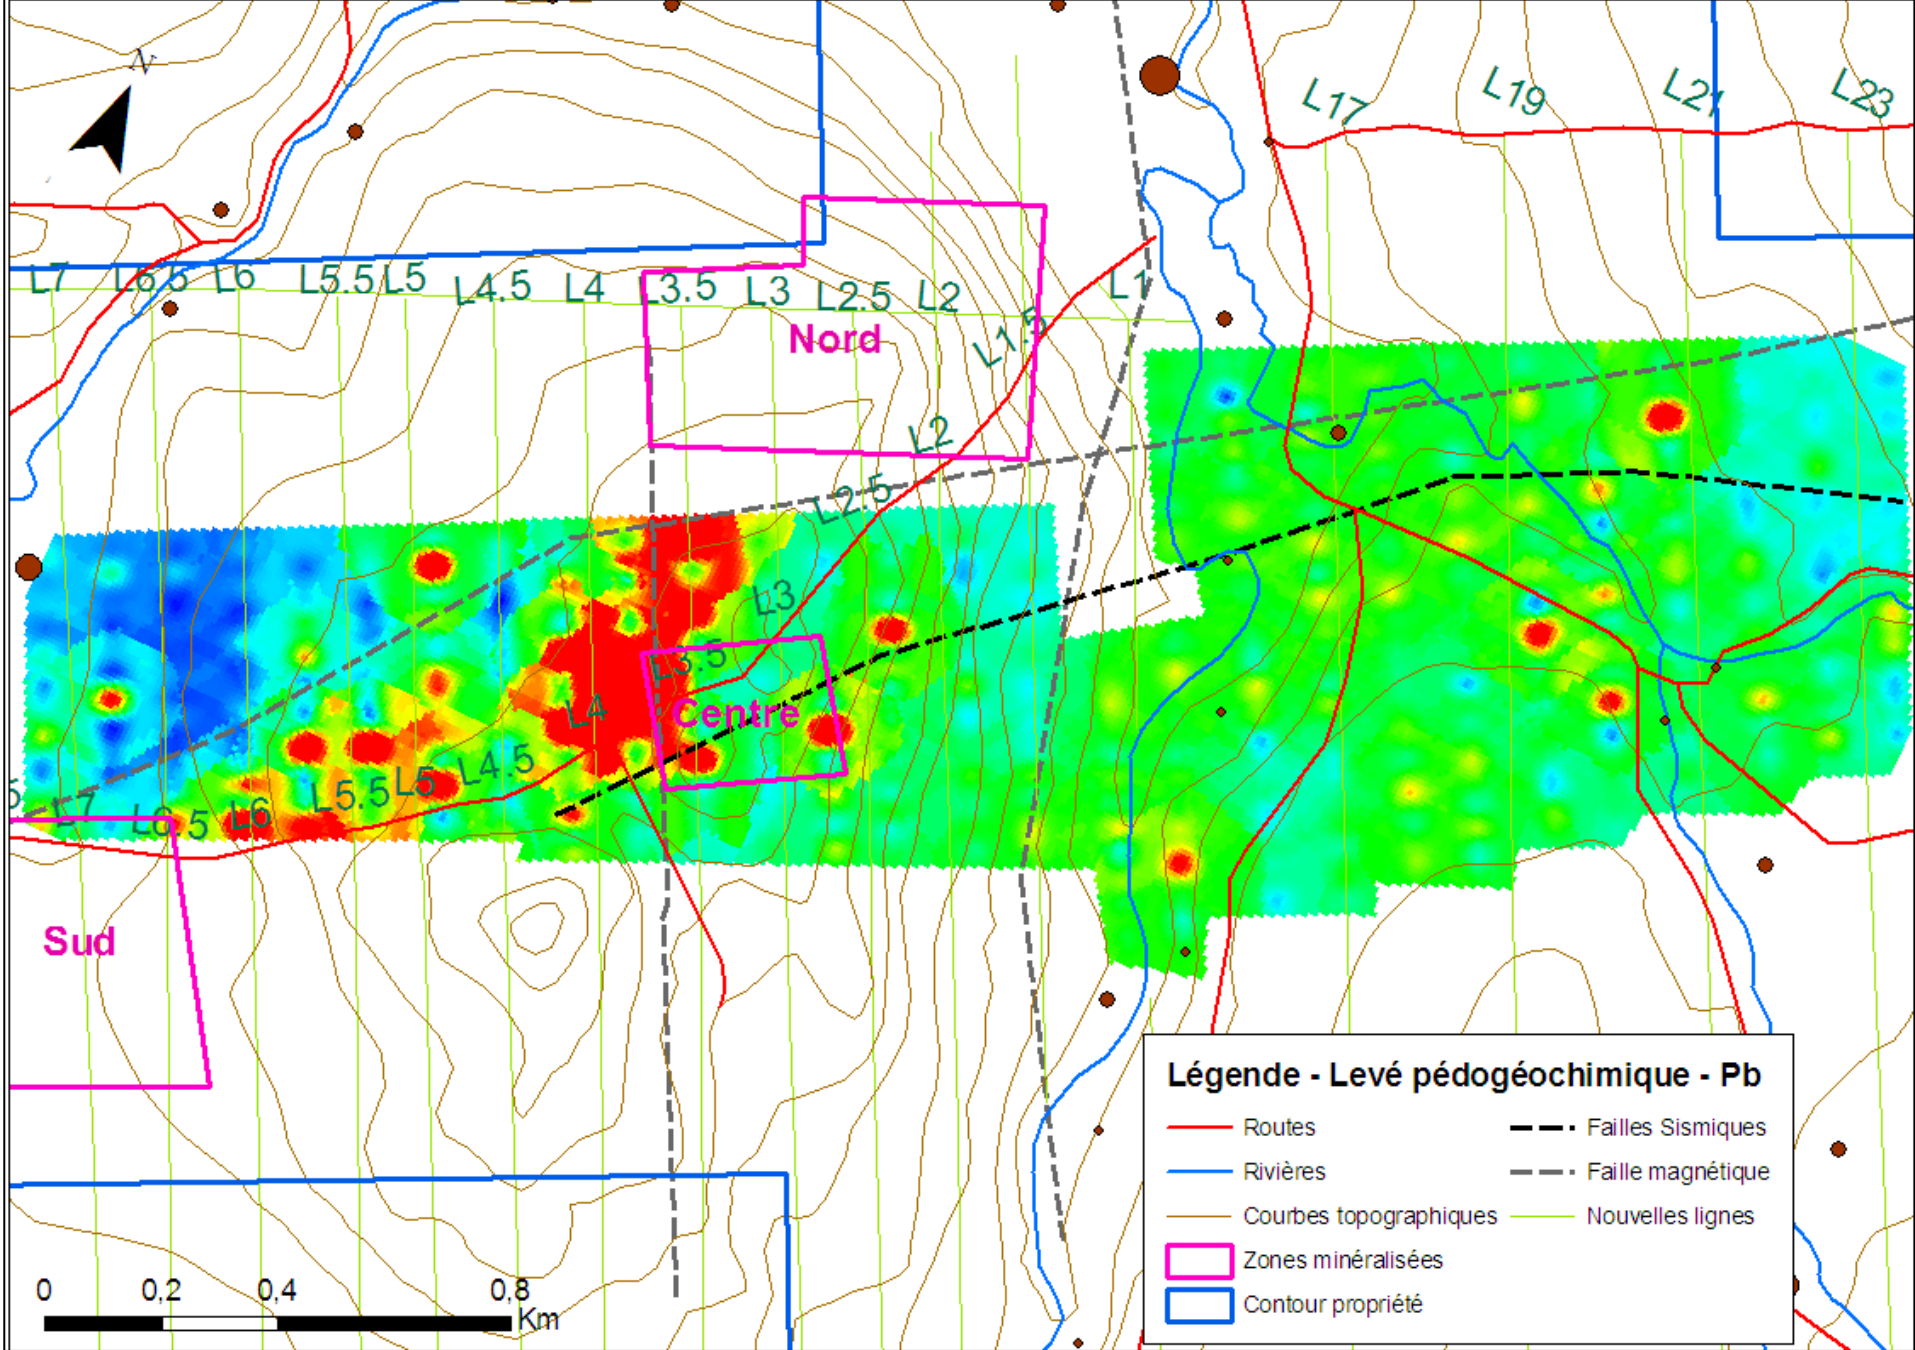

Carte krigée des concentrations en Mo

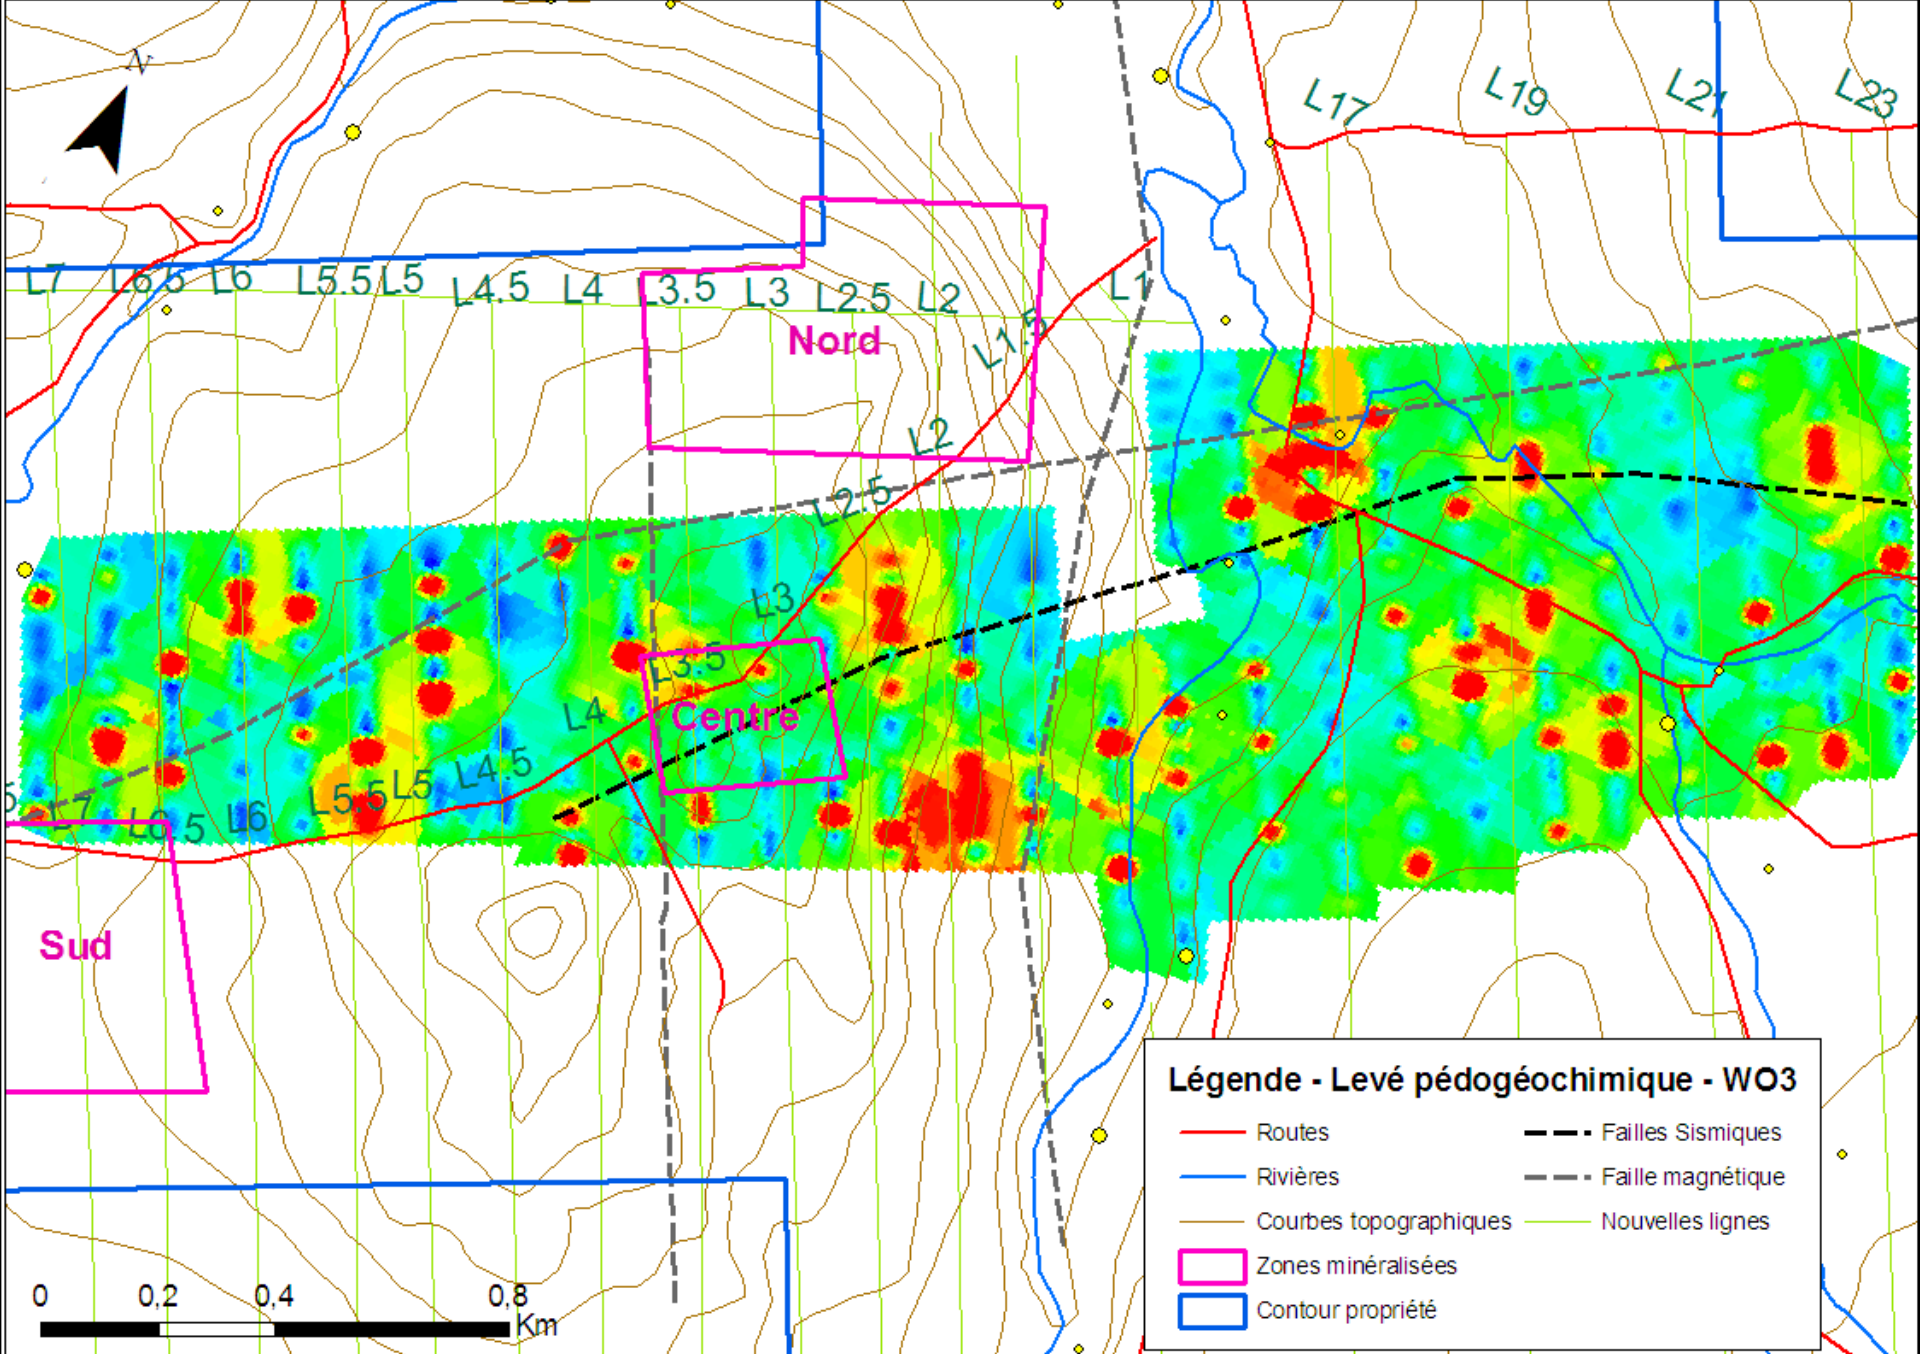

Carte krigée des concentrations relatives en Mo

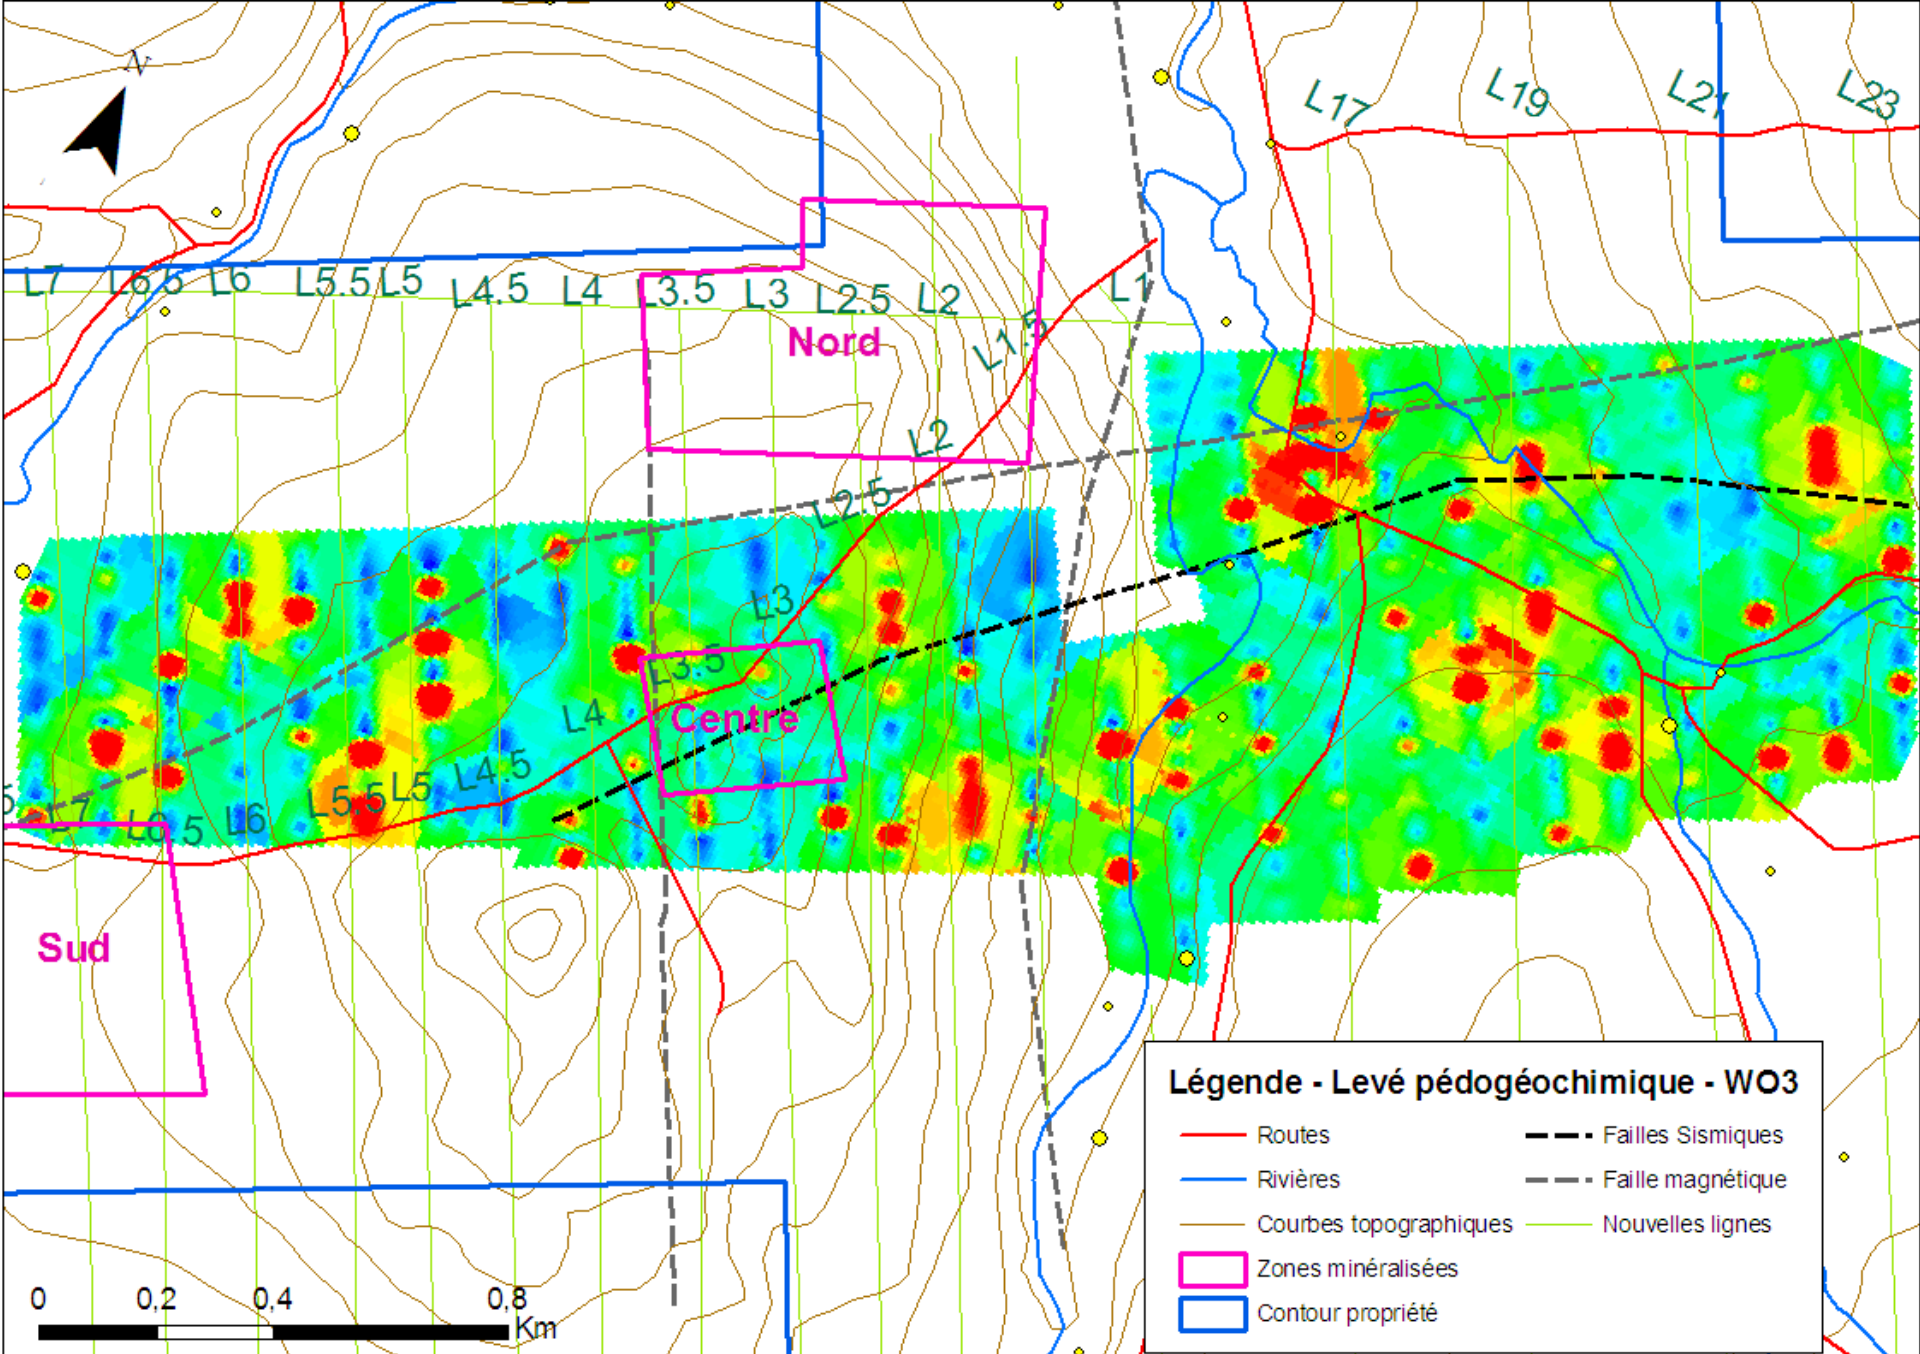

Carte krigée des concentrations en Pb

Carte krigée des concentrations relatives en Pb

Carte krigée des concentrations en WO₃

Carte krigée des concentrations relatives en WO₃
